Quick Ways to Access Publications and Journals and Learn How to Use Subject Terms

Want to get your hands on a periodical or journal fast?
There are a few ways you might not have thought of before
and we'll share them in this workshop.

We'll also discuss ways to add specific journals
by putting links on your browser!

In this workshop, you will learn
how to take full advantage of high quality subject indexing
to improve the precision of your searches.

26 OCT 2018 (FRI) 13:00-14:00
